

Free **generic** medications and **insulin products**, shipped to your home!

WHAT IS RX 'N GO?

New program, beginning on January 1, 2023!

RX 'N Go is an optional mail-order pharmacy program for generic & insulin medications - These medications are **\$0 copay and \$0 delivery cost!** There are approximately 1,300 generic maintenance & insulin medications available through Rx 'n Go. Medications are 100% paid for by your employer and mailed to you at no cost! By using RX 'N GO, you can receive up to a 90-day supply of certain medications that treat conditions such as cholesterol, diabetes, hypertension, emotional health, asthma, and more, as written by your doctor.

To check if your medication is available through RX 'N GO, follow the steps below

1. Go to www.rxngo.com and select the Medications tab
2. Select your Employer & Plan, or
3. Search by Medication Name – if your medication is listed, it will be free!

HOW TO SIGN UP FOR RX 'N GO?

Please note, RX 'N Go is separate from your medical insurance. If you would like to take advantage of the program, you **MUST** sign up directly with RX 'N GO. Registration instructions are listed below.

Register your Self-Service Account Online at rxngo.com OR call Rx 'n Go Customer Service at 888.697.9646

Submit prescription(s) to Rx 'n Go:

- **For Your Physician:** E-Scribe to GoGoMeds, Phone (888.697.9646), Fax (888.697.0646)
- **For You:** Enter existing Pharmacy for Refill transfer

Once we receive your Rx & profile details, 90-day prescription will be received at home within 7 business days

When placing the initial order, make sure you have at least 10 days of your medication on hand
